The Rediscovery & Reception of Gandharan Art

The fourth workshop of the CARC Gandhara Connections Project generously supported by the Bagri Foundation and Richard Beleson

The workshop will be held online using Zoom and Spatial Chat (details and instructions will be provided to those who have booked nearer the time). It will also be recorded and made available on the Gandhara Connections webpages (www.carc.ox.ac.uk/GandharaConnections).

Participation is free, but please book a place by contacting <carc@classics.ox.ac.uk>. Provisional Programme (as of 8th March 2021) - NB changes are expected – please check www.carc.ox.ac.uk/GandharaConnections for updates. All times are GMT.

*Art of Deception: Perspectives on the Problem of Fakery in Gandhara*

1600  Close and Spatial Chat reception*

*Spatial Chat is a platform which allows participants in a meeting to talk informally in a virtual common room. It is like a meeting room in Zoom or Teams, but you can virtually wander around the room (by moving your avatar around the window) and join different conversations, as one would at a real reception! These are not formal meetings – use them to drop in and catch up with friends and colleagues before and after the formal sessions.*
